The ballot must state the number of board members to be voted on and the maximum number of members that may be elected from each board member district as provided under section 5 of this chapter. A ballot that contains more votes than the maximum number allowed from a board member district is invalid.

(d) The precinct election boards in each county serving at the general election shall conduct the election for school board members.

(e) Voting and tabulation of votes shall be conducted in accordance with IC 3, and the candidates who receive the most votes are elected to the board.

(f) If there are more candidates from a particular board member district than may be elected from the board member district under section 5 of this chapter:

- (1) the number of candidates elected is the greatest number that may be elected from the board member district;
- (2) the candidates elected are those who, among the candidates from the board member district, receive the most votes; and
- (3) the other candidates from the board member district are eliminated.

(g) If there is a tie vote among the candidates for the board, the judge of the circuit court in the county where the majority of the registered voters of the metropolitan school district reside shall select one (1) of the candidates who shall be declared and certified elected.

(h) If, at any time after the first board member election, a vacancy on the board occurs for any reason, including an insufficient number of petitions for candidates being filed, and regardless of whether the vacating member was elected or appointed, the remaining members of the board, whether or not a majority of the board, shall by a majority vote fill the vacancy by:

- (1) appointing a person from the board member district from which the person who vacated the board was elected; or
- (2) if the person was appointed, appointing a person from the board member district from which the last elected predecessor of the person was elected.

If a majority of the remaining members of the board is unable to agree or the board fails to act within thirty (30) days after a vacancy occurs, the judge of the circuit court in the county where the majority of registered voters of the metropolitan school district reside shall make the appointment.

(i) At a general election held on the earlier of:

(1) more than sixty (60) days after an elected board member vacates membership on the board; or

(2) immediately before the end of the term for which the vacating member was elected;

a successor to a board member appointed under subsection (h) shall be elected. Unless the successor takes office at the end of the term of the vacating member, the member shall serve only for the balance of the vacating member's term. In an election for a successor board member to fill a vacancy for a two (2) year balance of a term, candidates for board membership need not file for or with reference to the vacancy. However, as required by IC 3-11-2, candidates for at-large seats must be distinguished on the ballot from candidates for district seats. If there is more than one (1) at-large seat on the ballot due to this vacancy, the elected candidate who receives the fewest votes at the election at which the successor is elected shall serve for a two (2) year term.

(j) At the first general election where members of the board are elected under this section, the elected candidates who constitute a simple majority of the elected candidates and who receive the most votes shall be elected for four (4) year terms, and the other elected candidates shall be elected for two (2) year terms.

(k) Board members shall be elected for four (4) year terms after the first election and shall take office January 1 following the election.

SECTION 13. IC 20-23-7-12, AS AMENDED BY P.L.1-2007, SECTION 143, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 12. (a) As used in this section, "county" means the county in which the school township is located.

(b) As used in this section, "school township" means a school township in Indiana that:

(1) for the last full school semester immediately preceding:

(A) the adoption of a preliminary resolution by the township trustee and the township board under subsection (f); or

(B) the adoption of a resolution of disapproval by the township trustee and the township board under subsection (g);

had an ADM of at least six hundred (600) students in kindergarten through grade 12 in the public schools of the school township; or

(2) is part of a township in which there were more votes cast for township trustee outside the school township than inside the school township in the general election at which the trustee was

1 elected and that preceded the adoption of the preliminary or  
2 disapproving resolution.

3 (c) As used in this section, "township board" means the township  
4 board of a township in which the school township is located.

5 (d) As used in this section, "township trustee" means the township  
6 trustee of the township in which the school township is located.

7 (e) In a school township, a metropolitan school district may be  
8 created by complying with this section. A metropolitan school district  
9 created under this section shall have the same boundaries as the school  
10 township. After a district has been created under this section, the  
11 school township that preceded the metropolitan school district is  
12 abolished. The procedures or provisions governing the creation of a  
13 metropolitan school district under another section of this chapter do not  
14 apply to the creation of a district under this section. After a  
15 metropolitan school district is created under this section, the district  
16 shall, except as otherwise provided in this section, be governed by and  
17 operate in accordance with this chapter governing the operation of a  
18 metropolitan school district as established under section 2 of this  
19 chapter.

20 (f) Except as provided in subsection (g), a metropolitan school  
21 district provided for in subsection (e) may be created in the following  
22 manner:

23 (1) The township trustee shall call a meeting of the township  
24 board. At the meeting, the township trustee and a majority of the  
25 township board shall adopt a resolution that a metropolitan school  
26 district shall be created in the school township. The township  
27 trustee shall then give notice:

28 (A) by two (2) publications one (1) week apart in a newspaper  
29 of general circulation published in the school township; or

30 (B) if there is no newspaper as described in clause (A), in a  
31 newspaper of general circulation in the county;

32 of the adoption of the resolution setting forth the text of the  
33 resolution.

34 (2) On the thirtieth day after the date of the last publication of the  
35 notice under subdivision (1) and if a protest has not been filed, the  
36 township trustee and a majority of the township board shall  
37 confirm their preliminary resolution. If, however, on or before the  
38 twenty-ninth day after the date of the last publication of the  
39 notice, a number of registered voters of the school township,  
40 equal to five percent (5%) or more of the number of votes cast in  
41 the school township for secretary of state at the last preceding  
42 general election for that office, sign and file with the township

trustee a petition requesting an election in the school township to determine whether or not a metropolitan school district must be created in the township in accordance with the preliminary resolution, then an election must be held as provided in subsection (h). The preliminary resolution and confirming resolution provided in this subsection shall both be adopted at a meeting of the township trustee and township board in which the township trustee and each member of the township board received or waived a written notice of the date, time, place, and purpose of the meeting. The resolution and the proof of service or waiver of the notice shall be made a part of the records of the township board.

(g) Except as provided in subsection (f), a metropolitan school district may also be created in the following manner:

(1) A number of registered voters of the school township, equal to five percent (5%) or more of the votes cast in the school township for secretary of state at the last general election for that office, shall sign and file with the township trustee a petition requesting the creation of a metropolitan school district under this section.

(2) The township trustee and a majority of the township board shall, not more than ten (10) days after the filing of a petition:

(A) adopt a preliminary resolution that a metropolitan school district shall be created in the school township and proceed as provided in subsection (f); or

(B) adopt a resolution disapproving the creation of the district.

(3) If either the township trustee or a majority of township board members vote in favor of disapproving the resolution, an election must be held to determine whether or not a metropolitan school district shall be created in the school township in the same manner as is provided in subsection (f) if an election is requested by petition.

(h) An election required under subsection (f) or (g) may, at the option of the township trustee, be held either as a special election or in conjunction with a primary or general election to be held not more than one hundred twenty (120) days after the filing of a petition under subsection (f) or the adoption of the disapproving resolution under subsection (g). The township trustee shall certify the question to the county election board under IC 3-10-9-3 and give notice of an election:

(1) by two (2) publications one (1) week apart in a newspaper of general circulation in the school township; or

(2) if a newspaper described in subdivision (1) does not exist, in

a newspaper of general circulation published in the county.

The notice must provide that on a day and time named in the notice, the polls shall be opened at the usual voting places in the various precincts in the school township for the purpose of taking the vote of the registered voters of the school township regarding whether a metropolitan school district shall be created in the township. The election shall be held not less than twenty (20) days and not more than thirty (30) days after the last publication of the notice unless a primary or general election will be conducted not more than six (6) months after the publication. In that case, the county election board shall place the public question on the ballot at the primary or general election. If the election is to be a special election, the township trustee shall give notice not more than thirty (30) days after the filing of the petition or the adoption of the disapproving resolution.

(i) On the day and time named in the notice, the polls shall be opened and the votes of the voters shall be taken regarding whether a metropolitan school district shall be created in the school township. IC 3 governs the election except as otherwise provided in this chapter. The county election board shall conduct the election. The public question shall be placed on the ballot in the form prescribed by IC 3-10-9-4 and must state, "Shall a metropolitan school district under IC 20-23-7 be formed in the \_\_\_\_\_ School Township of \_\_\_\_\_ County, Indiana?". The name of the school township shall be inserted in the blanks.

(j) The votes cast in the election shall be canvassed at a place in the school township determined by the county election board. The certificate of the votes cast for and against the creation of a metropolitan school district shall be filed in the records of the township board and recorded with the county recorder. If the special election is not conducted at a primary or general election, the school township shall pay the expense of holding the election out of the school general fund that is appropriated for this purpose.

(k) A metropolitan school district shall, subject to section 7 of this chapter, be created on the thirtieth day after the date of the adoption of the confirming resolution under subsection (f) or an election held under subsection (h). If a public official fails to do the official's duty within the time prescribed in this section, the failure does not invalidate the proceedings taken under this section. An action to contest the validity of the creation of a metropolitan school district under this section or to enjoin the operation of a metropolitan school district may not be instituted later than the thirtieth day following the date of the adoption of the confirming resolution under subsection (f) or of the election held

under subsection (h). Except as provided in this section, an election under this subsection may not be held sooner than twelve (12) months after another election held under subsection (h).

(l) A metropolitan school district is known as "The Metropolitan School District of \_\_\_\_\_ Township, \_\_\_\_\_ County, Indiana". The first metropolitan board of education in a metropolitan school district created under this section consists of five (5) members. The township trustee and the township board members are ex officio members of the first board, subject to the laws concerning length of their respective terms of office, manner of election or appointment, and the filling of vacancies applicable to their respective offices. The ex officio members serve without compensation or reimbursement for expenses, other than that which they may receive from their respective offices. The township board shall, by a resolution recorded in its records, appoint the fifth member of the metropolitan board of education. The fifth member shall meet the qualifications of a member of a metropolitan board of education under this chapter, with the exception of the board member district requirements provided in sections 4, 5, and ~~§ 8.1~~ of this chapter.

(m) A fifth board member shall be appointed not more than fifteen (15) days after the date of the adoption of the confirming resolution under subsection (f)(2) or an election held under subsection (h). The first board shall hold its first meeting not more than fifteen (15) days after the date when the fifth board member is appointed or elected, on a date established by the township board in the resolution in which it appoints the fifth board member. The first board shall serve until ~~July~~ **January 1** following the election of a metropolitan school board at the first ~~primary~~ **general** election held more than sixty (60) days following the creation of the metropolitan school district.

(n) After the creation of a metropolitan school district under this section, the president of the metropolitan school board of the district shall serve as a member of the county board of education and perform the duties on the county board of education that were previously performed by the township trustee. The metropolitan school board and superintendent of the district may call upon the assistance of and use the services provided by the county superintendent of schools. This subsection does not limit or take away the powers, rights, privileges, or duties of the metropolitan school district or the board or superintendent of the district provided in this chapter.
